The JCR briefly explained how charities motions work.

Emmet suggested that the JCR listen to Toxic by Britney Spears together. The meeting voted, and were in favour of this.

Britney Spears asked if those present could see that they were calling. They expressed their concern over the current health and safety measures, suggesting that warnings be worn. Brintey then detailed how the danger of the situation was impacting them and their health. They questioned the JCR's self-awareness, asking those present whether they knew that they were toxic, and ultimately asking the JCR to "intoxicate [them] with [our] loving now".

An encore was suggested, but was voted against.

The JCR meeting shortly after 8pm.
